PARISH INFORMATION

The expense of educating a child at Holy Cross School is defrayed by an annual investment in the school from the Catholic community of Holy Cross and by tuition payments. Families registered as parishioners of Holy Cross or other Diocesan parishes and actively supporting their parish may be eligible for a reduced tuition rate. Active support is defined as parishioners supporting their parish on a regular, continuing basis by time, talent, or treasure for a minimum of one year. The school's tuition officer will inform each family of their tuition rate prior to the start of the school year.
