Dear Parents and Guardians,

I hope this letter finds you well and that the first weeks of school have been an exciting and positive time for your family as they have been for all of us here at Holy Cross. It has been a wonderful start to the year, and we are grateful to have your children as part of our Holy Cross community.

As hard as it may be to believe, it is already time to begin thinking about re-registration for the 2026-2027 school year. We know the school year has just begun, but planning ahead helps ensure a smooth process for all. As in previous years, we are utilizing a graduated re-registration system that provides families the opportunity to secure lower fees by registering earlier:

- October: \$50 per child
- November: \$75 per child
- December or later: \$100 per child

This system has worked successfully over the past several years, and many families appreciate the discounted fees. We encourage you to complete the paperwork and submit forms sooner rather than later to take advantage of these savings.

Included with this letter is important information regarding tuition assistance. If you are going to apply for assistance for the 2026-2027 year, you must do so by their deadline of January 31, 2026.

If you are adding a new sibling to Holy Cross for the upcoming year, new student applications can be completed electronically by visiting our school's website under the Admissions tab.

If you have any questions about the re-registration process or need assistance in any way, please do not hesitate to reach out to our school office. We are always happy to help.

Thank you for choosing a Catholic education for your child at Holy Cross. We are truly blessed to partner with you in your child's academic and spiritual growth.

God bless,

Mrs. O'Mara

Principal
